GENERAL ORDER.

HORSE GUARDS,
15th August, 1842.

General Lord Hill finds it necessary to resign the Command of the Army on account of his Lordship's present state of health, and her Majesty has been graciously pleased to accept his Lordship's resignation.

When Lord Hill assumed the Command which he now resigns, he expressed, in General Orders, his confident hope, that from the General and other Officers, as well as from the Public Departments of the Army, he would receive that support which should enable him to fulfil the important trust reposed in him.

That hope has not been disappointed, but, on the contrary, realized beyond Lord Hill's most sanguine expectation.

The conduct of the Troops has, both in the Field and in Quarters, furnished, during Lord Hill's command of them, an example of discipline, regularity, and general efficiency, not to be surpassed, and the Officers have by their devotion to their duty enabled his Lordship to maintain the Army in that creditable state. The Officers have, therefore, established their claim to Lord Hill's lasting gratitude and esteem.

His Lordship cannot, then, but with painful feelings take leave of Officers, Non-Commissioned Officers, and Soldiers, whose conduct has been so uniformly approved by their Sovereign and by their Country.

These feelings are, however, greatly alleviated and consoled by the reflection, that the Command of the Army is now to be resumed by the Duke of Wellington, the ever vigilant and most influential Guardian of its Interests, and whose achievements have raised its character to the highest Pinnacle of Glory.

By Command of the Right Honourable
GENERAL LORD HILL,
Commanding in Chief.

JOHN MACDONALD,
Adjutant General.

WHITEHALL, 15*th August,* 1842.

The Queen has been pleased to direct Letters-patent to be passed under the Great Seal, constituting and appointing Field Marshal Arthur *Duke of* Wellington Commander in Chief of all her Majesty's Land Forces in the United Kingdom of Great Britain and Ireland.

No. 561.

GENERAL ORDER.

HORSE GUARDS,
17th August, 1842.

In obedience to her Majesty's Command, Field Marshal the Duke of Wellington assumes the Command of the Army, and earnestly requests the Assistance and Support of the General and other Officers of the Army to

maintain the discipline, good order, and high character, for which it has so long been conspicuous, and which have been maintained to a degree so deserving of Praise during the long period of the Command of his respected Predecessor, General Lord Hill.

The Duke of Wellington sincerely regrets, that the state of his Lordship's health should have rendered it necessary for him to desire to discontinue his active services; and he anxiously hopes, that the Army will not suffer in consequence of the change.

By Command of his Grace
The Commander in Chief.
JOHN MACDONALD,
Adjutant General.

WAR OFFICE, 26th August, 1842.

In consideration of the distinguished gallantry displayed by the Thirteenth Light Infantry during the campaigns in the Burmese Empire and in Affghanistan, her Majesty has been graciously pleased to approve of that Regiment assuming the Title of the "Thirteenth or Prince Albert's Regiment of Light Infantry;" and of its Facings being changed from Yellow to Blue.

Her Majesty has also been pleased to authorize the Thirteenth Regiment of Light Infantry being permitted to bear on its Colours and Appointments a "*Mural Crown*," superscribed "*Jellalabad*," as a memorial of the fortitude, perseverance, and enterprise, evinced by that Regiment, and the several Corps which served during the Blockade of Jellalabad.

Her Majesty has been likewise pleased to permit the Thirteenth Regiment to receive and wear a Silver Medal, which has been directed by the Governor General of India to be distributed to every Officer, Non-Commissioned Officer, and Private, European and Native,—who belonged to the Garrison of Jellalabad on the 7th April, 1842;—such Medals to bear on one side a "*Mural Crown*," superscribed "*Jellalabad*;" and on the other side "*April 7th*, 1842."

GENERAL ORDER.

HORSE GUARDS,
15th August, 1842.

GENERAL LORD HILL finds it necessary to resign the Command of the Army on account of his Lordship's present state of health, and her Majesty has been graciously pleased to accept his Lordship's resignation.

When Lord Hill assumed the Command which he now resigns, he expressed, in General Orders, his confident hope, that from the General and other Officers, as well as from the Public Departments of the Army, he would receive that support which should enable him to fulfil the important trust reposed in him.

That hope has not been disappointed, but, on the contrary, realized beyond Lord Hill's most sanguine expectation.

The conduct of the Troops has, both in the Field and in Quarters, furnished, during Lord Hill's command of them, an example of discipline, regularity, and general efficiency, not to be surpassed, and the Officers have by their devotion to their duty enabled his Lordship to maintain the Army in that creditable state. The Officers have, therefore, established their claim to Lord Hill's lasting gratitude and esteem.

His Lordship cannot, then, but with painful feelings take leave of Officers, Non-Commissioned Officers, and Soldiers, whose conduct has been so uniformly approved by their Sovereign and by their Country.

These feelings are, however, greatly alleviated and consoled by the reflection, that the Command of the Army is now to be resumed by the Duke of Wellington, the ever vigilant and most influential Guardian of its Interests, and whose achievements have raised its character to the highest Pinnacle of Glory.

By Command of the Right Honourable
GENERAL LORD HILL,
Commanding in Chief.

JOHN MACDONALD,
Adjutant General.

WHITEHALL, 15th August, 1842.

The Queen has been pleased to direct Letters-patent to be passed under the Great Seal, constituting and appointing Field Marshal Arthur *Duke of* Wellington Commander in Chief of all her Majesty's Land Forces in the United Kingdom of Great Britain and Ireland.

maintain the discipline, good order, and high character, for which it has so long been conspicuous, and which have been maintained to a degree so deserving of Praise during the long period of the Command of his respected Predecessor, General Lord Hill.

The Duke of Wellington sincerely regrets, that the state of his Lordship's health should have rendered it necessary for him to desire to discontinue his active services; and he anxiously hopes, that the Army will not suffer in consequence of the change.

By Command of his Grace
The Commander in Chief.
JOHN MACDONALD,
Adjutant General.

CIRCULAR, No. 904.

WAR OFFICE, 24th October, 1842.

SIR,

I have the honor to transmit the annexed Warrant, which Her Majesty has been most graciously pleased to sanction, relating to the Allowances to be made to Officers when embarked on Board Ship. In substance it is as follows:—

When a Mess is provided for an Officer on Board Ship, he will be required to contribute 3*s*. 6*d*. a day.

When an Officer provides his own Mess, he will receive an allowance of 4*s*. a day.

When an Officer is authorized to take his Passage in a Packet or Steam-Vessel, he will not be required to pay a larger Rate than 3*s*. 6*d*. a day.

When an Officer is unavoidably detained at the Port of Embarkation, he will receive 5*s*. a day in aid of his expenses.

The chief object in framing the Warrant has been to exempt Officers in the performance of their duty on Board Ship from incurring a greater expense than whilst serving on Shore.

In carrying this object into effect, it will be your duty, by a vigilant superintendence of the Regimental Mess, to take care that the Junior Ranks of Officers are not exposed to any unnecessary expense; and you will cause it to be distinctly understood in the Regimental Community of which you are the head, that the Allowance in aid of the Officer's Mess on Board Ship is to be applied, not to facilitate increased comfort or any of that ostentatious display at the Regimental Mess which has of late years crept into some Regiments, but to relieve the Junior Ranks from the disadvantage of being obliged to incur, when on Board Ship, an expense exceeding the daily Rate of their Pay.

I have also to call your attention to an arrangement which has been made between the Lords Commissioners of the Admiralty and the War Office, by which facilities will be afforded for the accommodation of the Wife or Family of an Officer, when permitted to embark with him. The Officer will determine whether he chooses to avail himself of the arrangement or not. It has been authorized, in consideration of the long duration of Service in the Colonies, and for the purpose of relieving Officers of the Army from the necessity which at present exists of entering into bargains with Captains of Vessels as to the Rates to be charged for their Families. It is on no account to be considered as giving any married Officer a right to demand a Passage for his Family on Board any Ship in which he may be embarked, and consequently has not been noticed in the Warrant; such indulgence must as heretofore be obtained by application to the Military Authorities, and must be subject to such Regulations as His Grace the Commander in Chief may from time to time be pleased to issue. The Rates to be charged, the mode of payment and other details, are explained in the Instructions annexed to the Warrant.

I have, &c.

Officer Commanding
the Regiment.

(Signed) H. HARDINGE.

WARRANT REGULATING THE PASSAGE ALLOWANCES OF OFFICERS OF THE ARMY.

Dated 19th October, 1842.

V. R.

WHEREAS We have judged it expedient to revise the Warrant of Our late Royal Uncle, dated 28th April, 1828, regulating the Passage Allowances of Officers of the Army; Our Will and Pleasure is, that this Our Warrant shall henceforward be the sole regulation upon this head, and that it shall rest with Our Secretary at War to interpret the true intent and meaning thereof.

Officers of Our Land Forces, who shall be ordered to or from Foreign Stations, excepting the territorial possessions of the East India Company, will be provided with Passages in a Government vessel, or in a vessel engaged by a public department; and when *they cannot be so* accommodated, will receive Passage Allowances at the rates prescribed in the Instructions annexed to this Warrant, which rates and instructions may however be altered from time to time by Our authority, signified by Our Secretary at War:

1. If appointed to serve upon the staff of a Foreign Station, or returning therefrom in consequence of reduction or removal, or in consequence of the General Officer to whose personal staff they belonged ceasing to hold his appointment.

2. If attached to and ordered to proceed with their Regiments, or in charge of Detachments of their Regiments.

3. If proceeding to fill up vacancies occasioned by death, by promotion, by augmentation, by resignation, by dismissal, or by the absence of Officers who have returned home on account of ill-health, or by the return home of Officers who have been ordered to join the Depôt Companies in the regular tour of duty.

4. If ordered to proceed upon Courts Martial, or upon any other special public duty upon which their presence is considered absolutely necessary, or if returning after the performance of such public duty.

5. If returning home in consequence of regular regimental promotion, of promotion to the rank of General Officer, of promotion under the Warrant of the 27th of October, 1834, or of being placed on retired full pay under the Warrant of the 1st October, 1840.

6. If ordered home to join the Regimental Depôts of their Regiments in the regular tour of duty, and actually joining such Depôts without obtaining previous leave of absence.

7. If returning home on leave on account of ill-health, upon the report and recommendation of a Medical Board, or if returning to their stations immediately after the expiration of such leave.

8. If belonging to a Colonial Corps, and returning home on leave of absence on their private affairs, and if returning to their stations after the expiration of such leave, provided they shall have previously completed such term of Foreign Service as shall from time to time be fixed by Our Regulations for that purpose.

In the following cases Officers are not entitled to Passages at the Public Expense.

9. If returning home on resignation, or in consequence of removal for misconduct, or of dismissal by the sentence of a Court Martial. The Officer commanding on a Foreign Station may however, where a necessity arising from the inability of the Officer to provide his own passage shall be made apparent to him, use his discretion in ordering a passage to be provided at the public expense for an Officer removed for misconduct, or dismissed the service; but in all cases he will be required to report to Our Secretary at War the circumstances under which such Passage has been ordered at the public expense.

10. If coming home on their private affairs, or if returning to their stations on the expiration of their leave of absence upon private affairs. Officers returning home on their private affairs will be required to sign the declaration prescribed by Our Regulations; but an officer who on the expiration of his leave of absence shall have been ordered to do duty, and who shall have actually done duty with the Regimental Depôt for at least two years, may, however, when ordered to rejoin his Regiment abroad, be recommended by the General Commanding-in-Chief for a passage at the public expense.

11. When an Officer entitled to a Passage at the public expense shall have been ordered to proceed to a Foreign Station, a communication will be made to the Lords Commissioners of the Admiralty, in order that a Passage may be provided on board a vessel of war, troop-ship, transport or other Government vessel, or on board a freight-ship or steam-vessel; and if no such conveyance can be obtained, the regulated allowance of Passage Money will be paid under the recommendation of the Secretary at War, or of the Master-General of the Ordnance for Officers of that department, by the Lords Commissioners of the Admiralty, upon the production of the certificates prescribed in the Instructions hereunto annexed.

12. When an Officer for whom a Passage can be provided in a Government vessel, or in a vessel freighted or hired by Government, shall for his own convenience be permitted to take his Passage in a private trader, he shall be allowed in aid of his expenses that sum which it would have cost the public to provide a Passage for him; but if in consequence of this permission, any forfeiture shall be incurred by the Government, the amount of such forfeiture shall be deducted from the allowance to be granted for such passage.

13. When an Officer shall have returned home, or shall have proceeded from one Foreign Station to another, or from one port to another, within the same command, under circumstances entitling him to a Passage at the public expense, the Secretary at War, or the Master-General of the Ordnance for Officers of that department, upon being furnished with the prescribed certificates, will communicate to the Lords Commissioners of the Admiralty that such Officer was entitled to be accommodated in a Government vessel, or will recommend that the regulated allowance for his Passage in a private trader may be paid.

14. When an Officer shall be provided with a passage on board a ship-of-

war, troop-ship, transport, freight-ship, or steam-vessel, and shall be maintained while on board with a proper mess at the public expense, he shall be liable on account thereof to the following deductions from his Regimental or Staff Pay :—

If a General Officer, 8*s.* a-day.

If under the rank of General Officer, 3*s.* 6*d.* a-day.

The Officer shall be further liable to a deduction of 9*d.* a-day for each of his civil servants actually embarked with him and victualled at the public expense, the person providing the mess being however entitled to draw for each servant the ordinary ration, for which ration no further charge is to be made against the Officer.

15. When an Officer provided with a Passage by Government shall be left to provide his own mess, he shall be allowed by the public in aid of the expense of such mess,

If below the rank of General Officer, 4*s.* a-day.

The allowance to a General Officer shall be 8*s.* a-day less than the rate allowed by the Naval regulations to a Captain of the Navy for the accommodation afforded at his table to a General Officer.

If, however, in either case, an Officer shall draw rations for himself, or for his civil servants, he shall pay for each ration 9*d.* a-day.

16. The rates to be allowed by the public to Officers of the Navy for the accommodation at their tables of Military Officers, and the allowances to be granted to Masters of freight-ships, will be regulated and paid by the Lords Commissioners of the Admiralty.

17. If in consequence of military etiquette a Staff Officer has to dine at the table provided at the expense of a General Officer, such General Officer shall be entitled to receive from the public the same daily allowance for such Staff Officer as may be granted by the Lords Commissioners of the Admiralty under the Naval Regulations for the accommodation of such Military Officer at the Table of a Captain of the Navy; but the Staff Officer shall be subject only to the same deduction from his pay, as if he had been messed by the Captain of the Navy.

18. The daily rate to be paid by the public to the Military Officer, or to be deducted from him, shall in every case be determined by the fact of the dinner-meal having been taken on board.

19. If Officers *be required* to go on shore at any intermediate station on account of the public service, they shall, on giving to the Captain of the ship, at least six hours before the dinner-meal, notice of their intended absence, be relieved from the prescribed deduction; and if not admitted into Barracks, and accommodated at a Regimental mess, shall be further entitled to an allowance of 5*s.* for each day they may be required to dine on shore.

20. The deductions for rations on board ship prescribed by the Warrants regulating the issues of Staff and Regimental Pay, dated 30th July, 1830, and 20th March, 1837, will be discontinued.

21. An Officer for whom a Passage shall have been provided *in a freight-ship*, shall receive from the proper authority notice in writing of the day on which such ship is expected to sail; and if he fail to embark, he shall be liable to pay to the Master such proportion of the allowance for his messing

on board as shall be prescribed in the Regulations of the Lords Commissioners of the Admiralty, unless the Officer shall have obtained the sanction of the proper military authority to delay his embarkation, and shall have given notice of the same to the owner or master at least seven days before the expected date of sailing, or unless another Officer shall have been embarked in his place.

22. An Officer will not be relieved from paying forfeit, or from any liability which he may have incurred when permitted to provide his own passage *in a private trader*, unless his change of destination shall have taken place by the order of the competent military authority for the convenience of the service, or unless another Officer shall have been embarked in his place. No greater sum will, however, in any case be granted by the public than one half of the regulated sum allowed to Officers permitted to provide their own Passages.

23. When a Passage shall have been provided for an Officer at the public expense, the proper military authority will notify to him the port of embarkation, and the day on which he is to embark; and in the event of such Officer being unavoidably detained at such port of embarkation beyond two days, an allowance of 5*s*. a-day will be granted to him from the day of arrival, provided the Regiment or Depôt to which such Officer belongs, or may have been attached, is not stationed within ten miles of such port of embarkation. In every instance, however, of an Officer being detained at such port of embarkation, whether at home or abroad, beyond fourteen days, and not attached to a Regiment or Depôt, he will immediately report his detention to the proper military authority, in order that means may, if practicable, be adopted for attaching him to some Regiment or Depôt.

24. The Allowance to be granted to General Officers, permitted to provide their own Passages, will in each case be specially sanctioned.

25. Staff and Regimental Officers will be entitled to allowances for the number of servants only which are sanctioned by Our Regulations.

26. Officers provided with Passages in Government vessels will be allowed to take with them, without extra charge, the quantity of baggage prescribed for their rank by Our Regulations; but this baggage must be so packed as not to exceed five cubic feet in measurement for each hundred weight allowed by such Regulations.

27. Officers ordered to proceed upon public duty from one Foreign Station to another, or within the same command, or removing in consequence of ill health, upon the report of a medical board, may be accommodated with Passages on board Government vessels, or may receive Passage Allowances under the Warrant of the Officer in command, subject to the approval of the Secretary at War. The Allowances to be granted to those Officers who cannot be accommodated in a Government vessel, will be governed by the established local regulations; but the charges made under the Warrant of the General Officer commanding on the station, are to be vouched in the same manner as the charges for the Passages of Officers to and from the United Kingdom; and the Officer, if messed at the public expense, will be subjected to the same deduction; and if not messed at the public expense, will be entitled to the same daily allowance, as if proceeding to or from this country and a foreign station.

Passages to and from the Territorial Possessions of the East India Company.

It is Our further will and pleasure, that Officers of Our land forces belonging to Regiments in India, or employed on the Staff on that station, who may proceed to or return from that country, shall be entitled to Passage Allowances at the rates prescribed in the Instructions annexed to this Warrant, if embarking for or returning from India under any of the following cases:—

1. If attached to and proceeding with their Regiment, on its embarkation for India.
2. If proceeding afterwards to India to fill up the complement of the Regiment, that number not having been complete at the time of the embarkation of the corps.
3. If ordered to India to fill up vacancies occasioned there by death, promotion, resignation, dismissal, or removal from one Regiment to another upon that station: or by resignation of an Officer who has returned home from India on account of ill health.
4. If appointed to any of the following situations on the Staff in India, upon the first establishment of those appointments; or if sent out to fill vacancies in previously existing appointments, provided those vacancies shall have been occasioned by death, resignation, removal in consequence of promotion, or by dismissal:—
   Major-General on the Staff;
   Adjutant-General;
   Quarter-Master-General;
   Deputy Adjutant-General;
   Deputy Quarter-Master-General;
   Aides-de-Camp to the Commander-in-Chief at the three Presidencies, or to General Officers on the Staff.
5. If returning to India after having been ordered to England on public duty, which absolutely required their presence, the case having been attested to the satisfaction of the Governor in Council of the Presidency to which such Officers were attached; but in no case, if returning to India after leave of absence, except as provided for in the following Article—6.
6. If returning to their Regiments in India, in charge of recruits or drafts, after the expiration of leave of absence on account of ill health.
7. If returning to England in consequence of the Regiment to which the Officer belongs being removed from India.
8. If returning to England on account of ill health certified to the Governor in Council of the Presidency to which the Officer may be attached, provided the Officer be not above the rank of Subaltern.
9. If ordered to England on Courts Martial, or any other public duty on which their presence is absolutely necessary, on the case being attested to the satisfaction of the Governor in Council of the Presidency to which the Officer may be attached.

Provided always, that every Officer appointed to the Staff in India, or as Aide-de-Camp to any Commander-in Chief, or General Officer on the Staff, who may have drawn the Allowance for his Passage, and may afterwards, from any cause whatever, decline proceeding to his station, is to refund the amount received by him.

Given at Our Court at Windsor, this 19th day of October, 1842, in the Sixth Year of Our Reign.

These Rates have been fixed upon information furnished by Brokers and Merchants of the City of London extensively connected with shipping.

The principle adopted in fixing the Rate to be allowed by the Public has been to deduct from the average charge for the cabin accommodation and messing of a gentleman on board a respectable private trader, the Rates which by the Passage Warrant are established as a proper contribution to be paid by every Officer for his own and for his Servants' messing, for the probable duration of the voyage. Officers receiving these Allowances will not, therefore, be subject to any deduction from their Pay on account of messing on board.

These Rates will be subject from time to time to variation according to circumstances.

Every Officer proceeding *to a Foreign Station* must apply to the proper Military Authority to be furnished with a passage; and he will not be permitted to receive the prescribed allowance in aid of the expense of providing his own passage until he shall have been informed that the Lords Commissioners of the Admiralty have not the means of affording him accommodation in a Government Vessel. He will then be required to produce a certificate from the Master or Owner of the Merchant Vessel or Packet in which he intends to embark, stating that he has engaged for his own passage and for that of his Servant or Servants.

Every Officer *returning in a Private Vessel from a Foreign Station* on duty, or on account of ill health, will be required to produce the following Documents:

1. A Certificate from the General or other Officer commanding on the Station, stating the cause of the Officer's return home.

2. A Certificate from the proper Officer of the Naval Department at the Station, or, should there be no such Officer on the spot, from the General or other Officer commanding there, stating that the Officer had applied for a passage in a Government Vessel, specifying the date of the application, and showing that a passage could not then be provided for him in any Government Vessel [and that it was not probable a passage could be so provided within one month from that date].*

3. A receipt from the Master of the Vessel in which the Officer came home for the amount paid for his own passage and for that of his Servant or Servants, specifying the number.

4. An Officer returning from a Foreign Station, *on account of ill health*, must also produce a Certificate from the Board of Medical Officers, recommending his return. The report of the Board is to be forwarded to the Commander-in-Chief by the General Officer commanding, on the earliest opportunity.

The General, or other Officer commanding on a Foreign Station, may exercise his discretion in directing, by his Warrant, the payment of the regulated allowance on the spot to an Officer returning home upon duty, or on account of ill health; but the prescribed certificates must, in that case, be annexed as vouchers to the account in which the charge is made; and

* These words may be struck out in the instances of Officers returning home on account of ill health.

such General Officer will forthwith communicate to the Secretary at War that he has authorized the payment on the Station.

Upon all occasions of an Officer being permitted to take his wife and family with him, when ordered to proceed by sea on public duty, the Officer must himself bear the expense of providing the messing of his family.

If such Officer cannot be accommodated in a government vessel, he will receive for himself the regulated allowance only, and must make his own bargain with the Master or Owner of the private vessel for the whole accommodation and messing he may require.

If accommodation can be provided in a vessel belonging to or freighted or chartered by government, for an Officer and for his family, the cabin accommodation on board will be provided at the public expense; but this indulgence will give no claim to the Officer to be relieved from the charge of messing his family.

To render this expense, however, as moderate to the Military Officer as possible, the following arrangements have been made by the Lords Commissioners of the Admiralty.

When an Officer is messed at the table of a Captain of the Navy, or at the mess of the Lieutenants, the Officer, in addition to his contribution of 3*s*. 6*d*. a day for his own messing, will be liable to a further contribution for his wife and children above sixteen years of age, of two-thirds—for his children under sixteen and above seven years of age, of one-third—and for those under seven years of age, of one-fourth—of the sum payable under the Naval Regulations by the Lords Commissioners of the Admiralty to the Captain or to the Lieutenants of the Navy, as the case may be, for the messing of the Officer himself.

When an Officer is provided with a passage on board a freight-ship, the sum to be contributed by the Officer for his wife or for his children above sixteen is fixed at 5*s*. each; for those under sixteen at 2*s*. 6*d*. each; and for those under seven at 1*s*. 10½*d*. each a day; and this rate of payment will also be extended to those transports in which arrangements may be made by the Admiralty with the Master for providing a proper table.

In all cases, however, the Officer, upon giving seven days' notice prior to embarkation to the Officer of the Navy, or to the Master of the vessel, will have the option of making provision for messing with his family at his own expense; and in such case he will be entitled to the allowance of 4*s*. a day for his own messing, but will be liable to the deduction of 9*d*. a day for each full ration he may draw, and a proportionate deduction, at that rate, for the rations he may draw for his wife and children and female servants.

Officers proceeding in the Contract Steam-vessels will be required to pay for their families permitted to embark with them, the sums which may be prescribed in the Contracts made with the Lords Commissioners of the Admiralty for the passage and messing of Government Passengers.

In all the above cases of accommodation being provided for the families of Officers in vessels belonging to or freighted or hired by the Government, or employed under Contracts, the contribution to be paid by the Officer for his family or for himself will be stopped from his pay, and accounted for to the Secretary at War. The Officer on embarkation will be required to give a declaration in writing, that he is prepared to pay the expense which may be incurred by his family.

On the termination of the voyage, the accompanying Form of Returns

and Certificates, applicable to every instance in which Officers may be embarked, whether messed at their own charge or at the charge of the public, shall be filled up in duplicate.

The originals will be invariably required from the Paymaster or Agent, or other Accountant, into whose payment the Regimental Officer is taken after disembarkation; Nos. 1 and 2, as the proper Vouchers either for claiming the allowance when the Officer shall have messed himself, or for proving the correctness of the prescribed deductions, which every such Agent or Paymaster is responsible for making, whenever the Officer is messed at the expense of the public, or shall draw rations for himself and family; and No. 3 to account for the Pay being charged without deduction, when the Officer shall provide his own Passage. Staff Officers returning home should transmit the original Return to the Secretary at War.

The duplicates of the Returns and Certificates Nos. 1 and 2, are to be left with the Captain or Master of the vessel, as his Vouchers to the Lords Commissioners of the Admiralty. The duplicate of No. 3 may be retained by the Agent or Paymaster.

No. 1. Applicable to the Messing of Officers and their Families on board Ship.
,, 2. Applicable to Rations.
,, 3. Applicable to an Officer who provides his own Passage.
